Key Highlights and Selling Points

Reality Grey are an up and coming melodic death metal band from Bari, Italy. The band is a mixture of two parts controlled chaos and brutality and one parts melodic feeling. After solidifying a steady line up, Reality Grey soon hit the local festivals circuit and opening many sold old shows with Coram Lethe, Disguise, Necrodeath, Admiron, Ingraved. In May 2004 started recording for the demo cd "Reborn In Apathy" that is enthusiastically reviewed from EUTK, Metal Empire and Heavy Metal Delirium

Their 1st full-length cd is recorded in August 2005 and mixed at GOLEM DUNGEON STUDIOS in July 2006 with Ottavio Marzo (Golem) and produced by Reality Grey. Energy, melody, brutality, extreme vocals, lightning-fast solos, blasting drums and more is gonna kick your ass!
